6940 yards ~ par 72 ~ C.E. Robinson, Golf Hall of Fame Architect

Founded and 9 holes built 1967, completed 2000

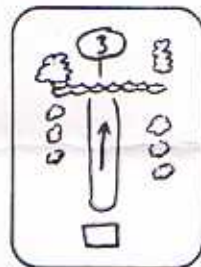

"ONE OF ONTARIO'S HIDDEN TREASURES" -Ontario Golf News, July 2001

- Hole 1** 473 YARDS, PAR 5 PLAY AWAY !
Turn your game clock on now. Great starting hole - deceptive - birdie chance comes early. Sets mood for the day. Avoid fairway traps - long iron needed to secure spot on rolling green.

- Hole 2** 422 YARDS, PAR 4 SHOTMAKER'S DELIGHT !
A faded tee shot out of chute, to fairway moving right - with sand, boundary left - pond right next to long narrow green - hard to read.

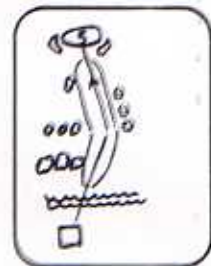

- Hole 3** 382 YARDS, PAR 4 THREAD THE NEEDLE !
Play through a corridor of trees, over a river - to an enormous green. Depth perception is difficult - so a 70 foot putt is not unusual.

- Hole 4** 572 YARDS, PAR 5 THE KILLER !
Drive over a mound into a saddle landing area - and a spectacular vista awaits you. Gamble or not - up to you ! Clear first river to landing, then clear second river over mammoth sand trap to green set in hillside. AWESOME EXPERIENCE !

***Note:** Far end of trap to river - 165 yards

- Hole 5** 425 YARDS, PAR 4 AROUND THE BEND !
The perfect two shot hole. Fit tee shot over trees, river and "burn" on corner to landing area at 215 yards, then long uphill shot to big green guarded by traps. Tough par.

***Note:** Back tee to blue stake in fairway - 215 yards

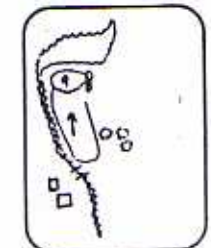

- Hole 6** 441 YARDS, PAR 4 GOLDEN POND !
From a hill - over river and pond. Let it fly - as accurate second shot required to long green with pond to left and mound to right awaits you. Gentle movement in green.

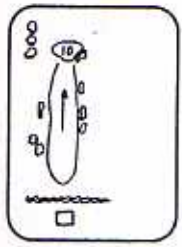

- Hole 7** 168 YARDS, PAR 3 THE NATURAL !
Absolute natural beauty - river - trees - tranquillity. Club selection important and wind above trees a factor.

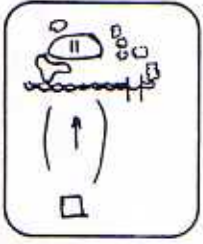

- Hole 8** 438 YARDS, PAR 4 DEAD TREE CALLING !
Slight dogleg to right - avoiding traps. Green sits with swale in middle and trees with falloff on left side.

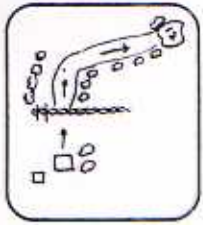

- Hole 9** 235 YARDS, PAR 3 RESPECT ME !
Strong par 3 - usually into wind. River on left - pond at rear - trap on right - very large green to receive shot.

Hole 10 564 YARDS, PAR 5 FAR AND AWAY !
 Drive over rise in fairway - traps right and left. Down to green set in hollow - with woods on left side. Possible "pick up a shot" hole.

Hole 11 181 YARDS, PAR 3 NATURE'S SOLITUDE !
 This one shotter - over enormous trap to wide, back to front sloping green. Proper club selection vital to stay below pin placement.

Hole 12 517 YARDS, PAR 5 THE ULTIMATE TEST !
 Spectacular - demanding tee shot - over river - up the hill to landing area. Trees all the way on right to green with large trap left front - severe fall off to right side and beyond green. Into prevailing wind - a strong test. Terrifying at times !

*Note: Back tee to "carry" river - 220 yards
 White tee marker to river - 170 yards

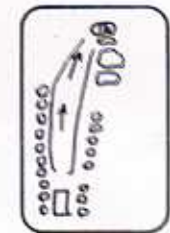

Hole 13 407 YARDS, PAR 4 THE MOUND !
 A long - tiered tee area leads you to big fairway - moguls on left - to a green positioned against a mound on right - drop off on left and over back. Very tough green to read, due to shape of the landing area.

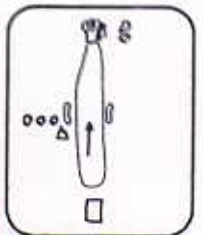

Hole 14 349 YARDS, PAR 4 LEDGE OF CORAL !
 A memorable hole. Pure nature. The green sits on a "bed of coral" surrounded by river front - side and rear. Not long - but demanding. Our course is named for the Devonian Fossils and Coral featured in this area.

Hole 15 180 YARDS, PAR 3 FOREST CATHEDRAL !
 High tee in the forest to a giant sized landing area with one "pot bunker" guarding the front of green. You - the golf ball - and nature, all come together. So peaceful !

Hole 16 405 YARDS, PAR 4 OUT OF THE CHUTE !
 A forest surrounds the sloping, narrow landing, for tee shot. Green appears to sit up in air - with large gaping trap in front. Plays longer than appears.

Hole 17 413 YARDS, PAR 4 A BREATHER HOLE !
 Let the tee shot fly - straight away. Big target green - hard to get close to flag - subtle movement to putting surface.

Hole 18 368 YARDS, PAR 4 GRAND FINALE !
 Through the opening of trees - over river to landing area. Green receives high soft shot with traps front and right - with fall off to river on left.

"A MEMORABLE TEST OF GOLF !"
